

MARINE CORPS RESERVE

Campaign Report 2015 - 2016

Dear *TONY & OUR GANG FOOTBALL,*

Now that Spring is near and another very successful 2015-2016 Toys for Tots campaign is complete, I thought you would like to know that because of you and your efforts, we were able to collect 46,548 toys, games and books and present them to 6,440 children here in Sarasota County. That means each child received an assortment of 7 items comprised of one significant toy along with some smaller toys, games and books.

At the start of the 2015-2016 campaign we had some difficult situations to overcome and with your help of donating time, money, providing leadership, and the use of vehicles, it all came together to serve the less fortunate children in our community.

Again, thank you for all that you did so Toys for Tots could again deliver a message of hope to children who have little reason to have hope for the future. The shiny new toy at Christmas lets these youngsters know that someone cares. The goal of the Marine Corps is to motivate economically disadvantaged children to grow into responsible, productive and patriotic citizens and community leaders. The Marines and along with people like you have been accomplishing this goal for 68 years.

Sincerely,

Roger Pennycook
